

**SAVE THE DATE**

**INDICATOR 7**  
**CHILD OUTCOMES TRAINING**  
**NEW APPLICATION**

**PURPOSE:** A new Indicator 7 application has been developed for use in determining and reporting child outcome ratings. This new application will be released beginning in November 2016 with all districts using the new application by the end of the year. This training will focus on how to navigate this new application as well as the gathering of information for accurate child outcome ratings.

**AUDIENCE:** The training is intended for staff responsible for determining child outcomes entry and exit ratings including early childhood special education teachers, speech and language pathologists, school psychologists, elementary special education teachers, four-year-old kindergarten teachers, kindergarten teachers, and directors of special education.

**DATES AND LOCATIONS:** All trainings will be from 12:30 PM – 3:30 PM.
